Mayes,
Keep on strummin,
and have a far-out
Summer.
Bonnie Moa

Mayes,
We had a lot of
good times this year
in dorm band. Next year
looks really promising if
you are still around to
help the best going. Well
take 1st at Kent state yeah
I hope. Well have a fine
summer and if ever feel
like it around Ohio see you
next year.
Long Hair

Moyes,

[redacted]

ave a nice
ummer and
tay out of
eg bass drum
- keep playing
your trumpet &
e'll switch on
st chair next year

Minny
Minny

Moyes,

Have a good
Summer (how original)
Hope you had a good time
in Stage Band. And Hope
to see you twice next year
be wave of 40 Foot Frogs.

Lenny
Lenny

Moyes,

Hope you had a good summer, maybe
even go to Rho. I think about it
keep up the good work in stage band.
Hope to see you in stage Band
next year. Have a long, hot, warm, and
fun summer.

Mike Paulus

Moyes,

Thanks for the fantastic job
you did with the stage band! I
don't know what we would have
done without you! Stage band was
really great this year. We had our
ups + downs but it worked out
alright!!!! Your really a beautiful
person! It's gonna be great helping
you in symphonic band next year!
Have a great summer + if the stage
band performs at the fair or where ever,
I'll see ya! Stay out of trouble + if
not during the summer, I'll see you in
band!

Peace!

Joan

Moyes,

wow what can I say
say to the best drummer
think you're a fantastic
person and player. Have a
great summer + good luck
year.

Hoyes -
It's good that you got your truck, or I would have gone crazy riding to E. C.C. in that chipmunk powered Cary!
See you at Chicago or any time else I feel like it.
Michael Curtis

1972-73

Administrators

Congratulations on your graduation from Mariner High School. It is our fervent hope that each boy and girl has accomplished his or her first major educational goal in life. The first plateau is often hard to achieve, but the first success breeds other successes. It is now your responsibility to chart a course that will prepare you for a full and productive life, one in which you can say with pride, "I did my best and society is better for it."

You, as voting adults, now have the opportunity and, yes, the challenge to make the American Dream a reality for all citizens. No longer can we use catch phrases that say a mouthful but have no meaning for all segments of our society.

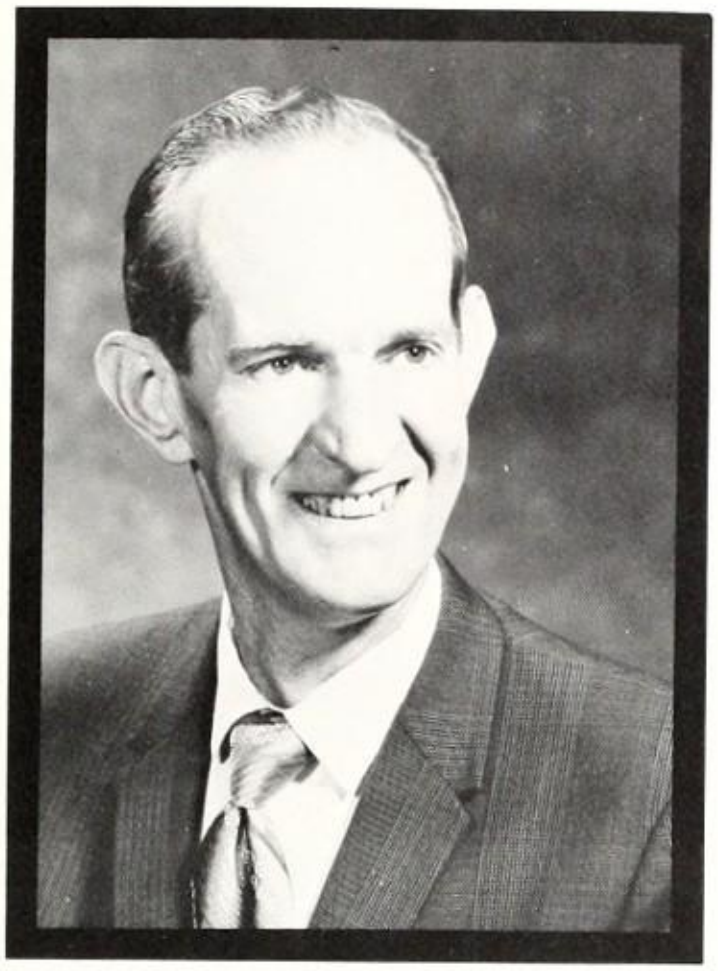
I challenge you to be doers and march forth with your heads high and your sights upon the goals that preserve and advance the dignity of all our citizens. Be positive in all you do but remember, the right to fail and try again is as fundamental to dynamic leadership as self-realization is to the American Dream.

You are the skippers of your own destiny and, in my opinion, you are ready to advance upon the course of life with the God-given ingredients to be a success.

As the laws of the land and more particularly the state assign more responsibility to the young adult, they must be prepared to accept this trust. I am convinced that the Mariner students are ready to accept this challenge. The 1973 graduating class has given leadership to the development of new programs which improve student relationships with adults; which demonstrate concern for others and the environment; and which illustrate acceptance of responsibility for personal well-being. I congratulate those in the leadership roles who helped to institute such programs.

The Mariner students will prove to the community that they can and do accept responsibility.

A Message



Mr. Gillies
Principal

As we strive to learn from our daily education experiences, we are tempted to put off until tomorrow those things that we should do today. Suddenly we realize that the most difficult part of life is the everyday living.

Much like liberty, education has a very high price to be paid in dedication, sacrifice, energy, self-direction, and loyalty to the future. Although the everyday little things, such as learning and lessons, friends and rivals, sunshine and rain, success and disappointment may seem insignificant at the time, they are the stuff of which life is made. They strengthen our convictions and make us determined to do what is necessary and proper; they prepare us to meet the challenges of life. To procrastinate is a natural tendency, but it can be overcome in many ways, one of which is courage.

It is the type of courage the Class of 1973 will need to reach out for their life's greatest accomplishment . . . it is the type of courage many Marauders display daily in being themselves with goals and reasons for gaining confidence in themselves . . . and it is the courage it takes to live manfully.

To the graduates we all wish the very best of luck, courage, and faith in the future. We are sure they realize that what they are going to be tomorrow they are becoming today. I know I am much richer because they were Marauders.

Congratulations and best wishes to the class of 1973. We recognize that learning continues even though our formal education may have ended. The success that comes your way will represent many hours and days of your time. We feel you are a product of a fine educational program and hope your future will benefit from the dedicated instruction and counseling provided you. You now join the alumni of Mariner High School and we hope that every success comes your way.

To those that follow in your footsteps, we wish that the product of their imagination be fulfilled.

QUEEN
Melodi Bucholz

"Something to Remember" was the theme set for Mariner's first Home Coming. Tuesday afternoon, October 24th, the student body gathered into the gym to cherish the tense moments with the ten finalists for Home Coming Queen.

Mitch Bucholz, Master of Ceremonies opened the secret envelopes of Princess's Kelly, Chris, Nancy, and Candy. A sudden and surprising kiss by Mr. Gillies reveals Melodi Bucholz as our 1972 Home Coming Queen.

A.S.B. President Bruce Hale escorts Queen Melodi to her throne, crowns her, and presents the royal bouquet. The Queen's reception followed the Coronation. The Home Coming Week activities ended with a 21-12 victory over the Edmonds Tigers.

Mary Rucker and Mike Corrigan bringing Melodi her flowers and crown.

Harriers Claim Northwest D

This year's Cross-Country team was the school's most productive team to date. The team was not considered to be much of a contender before the season started, but through hard work it improved steadily week by week. Mariner defeated it's first seven straight opponents and finished the dual-meet season with a 12-2-1 record. That record enabled them to retain the Everett City Championship for the third year in a row. After a somewhat disappointing fourth place finish in the Wesco Championship Meet, the team came back with a great effort to capture the Northwest A.A. District Championship, the first district title to be claimed by any Mariner team. In the season's final, the State meet, Mariner finished a close but satisfying fourth place. This was the highest placing of any Mariner team in State competition.

Individually, team captain Mark Prater finished his fourth year of varsity competition by taking the N.W.A.A. District individual title and placing tenth in the State meet. First year senior Frank Madin ran steadily all season long and was a major part of the team's success. Junior Clive Freidenrich turned in a fifth place finish at District and a ninth place finish at State. Don McGillivray, Steve Richardson, Rob Lyons and Greg Elliot ran well throughout the season and helped the team greatly with their efforts.

I am, of course, pleased with the fact that our team has brought it's share of pride to a highly deserving group of followers. Without the close-knit "family" relationship of parents, coaches, students, staff, and participants we could never have accomplished what we did, having this year established our team as a power in a truly powerful league. We will continue to do so in the future if the fine young men we have returning are any indication. In my enthusiasm for the future I must pause a moment in sadness and pride to thank Seniors Jim Suter, Bill Knappent, Dean Orr, Herb Metz, and Bruce Hale for the 4 years of dedication they have given Mariner Wrestling. It will be tough to see them go - they were truly unique individuals, and a pleasure to work with.

"Winning's Fun" was our motto and this swimming season the Mariner team really lived up to it. After a year of tough dual meet competition we ended the year with a record of 16 wins and 1 loss. With this fine record behind them the team went on to win their second Wesco Championship and their first N.W. Region Championship.

Swimming is a sport involving much personal effort and sacrifice and this year's team displayed these qualities strongly. They were one of the finest and most dedicated group of boys I have ever coached. Of course we had our share of disappointments and goals left unfulfilled but I'm sure with the kind of determination shown by this group, future teams have a fine example to follow which will carry Mariner swimming on to even greater heights.

GREG GULLIKSON of MARINER High School and Fred Graham of Woodway have been voted to the Western Conference's all-conference swimming team selections in two events.

GULLIKSON, a junior who led the Marauders to the conference championship, was the first team pick in both the 200-yard individual medley and the 100-yard butterfly.

Graham, a sophomore, was tops in both the 200-yard freestyle and 400-yard freestyle. Other Mariner first team picks were DALE MATSON, 100-yard freestyle and Pat Hudson, diving.

Brian Gorham of Mountlake Terrace, was tops in the 100-yard backstroke.

Other first team selections were Greg Pritchett, Seahome, 50-yard freestyle; Jim Williams, Bellingham, 100-yard breaststroke; Cascade's 200-yard medley quartet of Ron Jackson, John Brown, Bill Loesche and Jim Andersen; and Mariner's 400-yard medley team of DAVE MATSON, DALE MATSON, DON LANGMUS and GULLIKSON.

I must admit it was a pleasure to serve you, the students. Our Adminstration ran into some problems but somehow managed to iron most of them out. We tried to represent your interests in the best way we knew how. Thank you for giving us this opportunity.

I have high hopes for student government here and feel that during this coming term we will begin to realize our abilities as a student body by working together. Through experience and guidance leant to us by our seniors, Mariner has been guaranteed a meaningful student government.

Thank you Class of 73
and Good Luck

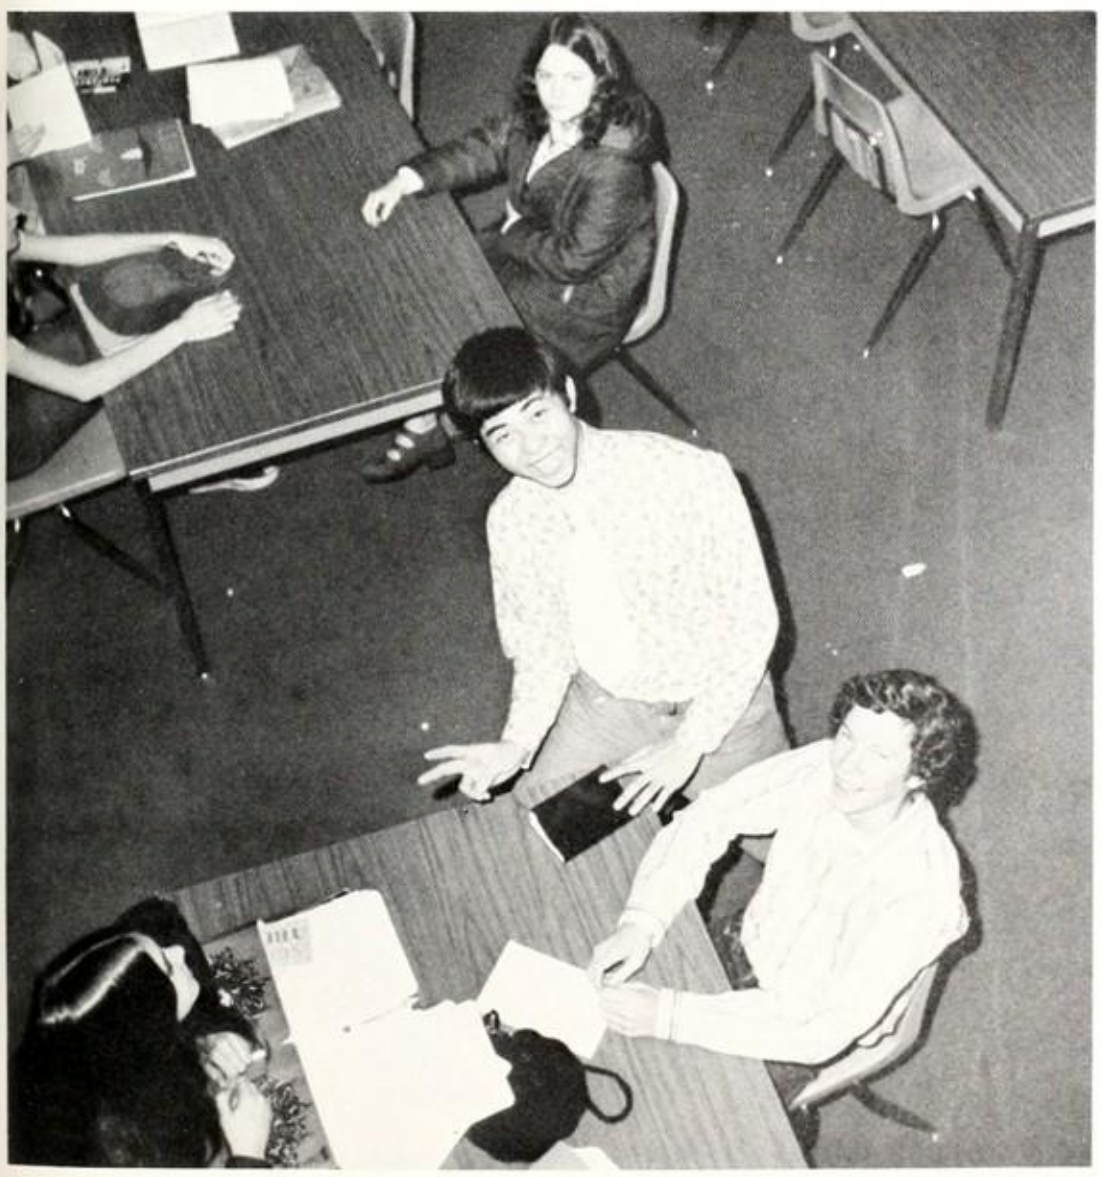
MARINER FOREIGN EXCHANGE PROGRAM

FIRST ROW (TOP), Yasushi Sogawa (Japan), Toguchi Takabumi (Japan), Mauricio Aramburo (Columbia). SECOND ROW (BOTTOM), Takeshi Tanaka (Japan), Hiroo Naruse (Japan), Toshiko Asaoko (Japan).

Mariner's foreign exchange program has been very successful in the past four years. All the students seem to enjoy having foreign friends to exchange ideas and customs with. The exchange students like the level system because they say it is easy to learn from. All of the foreign students enjoy the sports offered here at Mariner. Mauricio Aramburo says "At my school we have Kindergarten through twelfth grade." Mauricio also said his school only had boys. We hope that the future years of foreign exchange will be as successful as the past has been.



Yasushi Sogawa (Japan)

Unstoppable

MHS Spirit never stops

This cheer staff was stated as being a self motivated team. Mrs Dodd, the co-advisor, stated that the squad was "one of the best, especially when it comes to gathering a lot of school spirit. They've done a great job!"

During the summer, while attending cheer camp, (where they received the award for Grand Champs) a lot of decisions were made. One of those decisions was that they would focus on school spirit, which was seriously needed.

Even though they focused on school spirit, at times, they still found the time to plan for competitions. They attended a competition in Kentwood and did extremely well. One reason they were able to do this was the support amoung team members. "I'm lucky to be on a squad with such great friends," stated Jennifer Lind.

- Tricia Taylor.

Smiling for victory, Esther Kim, Mary Lopez and Julie Radovich enjoy their win at cheer camp.

Shake, rattle and roll! De De Gill, Staci Sprout and Su Pak show the crowd what it's all about.
